We capped off 2025 with a beautiful Christmas Eve service and Sunday Christmas celebration. What I loved most about Christmas at FBC was the variety of voices on stage leading us in worship and Advent readings. Truly we the people are the church as we each contribute our own abilities gifts for the building up of the whole body. (Ephesians 4:11-16)

In our last meeting, the Church Council took time to look over the preliminary results from the "Building Our Future" survey. Having extended the survey for 10 more days, we don't have the final results, but I'd like to share a few quick insights.

You are hopeful. While this season in our church life has meant looking for a new place to meet and worship, you have remained hopeful and excited. This came through loud and clear. I want us to continue this feeling as a church because, there is much to hope for!

You understand that good leadership is important. Several questions of the survey measured the importance and reality of healthy leadership in our church. In a time of change, clear leadership is a gift to the body of Christ and that is something that doesn't happen accidentally. May I encourage you – stay engaged!

You believe in the mission of the church. Our main goal as a church comes from Jesus' command to 'make disciples, baptizing them in the name of the Father, Son and Holy Spirit'. That is central to everything we do and aspire to do in the coming years. You want to be part of a church that proclaims the Gospel and makes disciples.

Looking forward!

As I look forward to 2026, I am encouraged that the answers of the survey reflected my own interactions with you personally and in our Helping Churches Thrive conversations as well as the Experiencing God curriculum we have been studying. I look forward to having Andy Hale (CBFNC) come January 18 to lead our HCT Conversation around the trait of "Flexibility" and the thriving church. You are not going to want to miss January 18!

I share your excitement, your hope and your passion for Jesus and I look forward to experiencing all that God has in store for us this year as a church family! I truly believe that some important opportunities lay before us and decisions that will define our future together. We will be sharing a report regarding the survey with you soon.

I am incredibly blessed to be your pastor and I look forward to a great year together!

John's Totes have been busy

In November, John's Totes delivered 150 large totes to Blessed Diamond Divas, a non-governmental organization (NGO) in Greensboro which will provide food for homeless women in the totes at Christmas.

Also, we have delivered 1,107 small totes for Operation Christmas Child boxes to Salem Outreach Network. We will continue to make totes for them through December for this year's boxes.

Pam Myers joined us in making the totes. Also this year, we added non-church members Glenda and Melanie.

Prayer Needs

Email heather@fbchighpoint.org or call Heather Absher at 336-883-0178 when you or someone in your immediate family is in the hospital and/or is in need of prayer. Please provide their address so we may mail the prayer sheet to them. Please get permission to publish their names on our prayer chain and email notifications. Also please let us know when it is time to remove their name from the list.

To date, we have made and delivered 21,739 totes. We still could use help with sewing, cutting, or surging or just helping with the non-machine related jobs.

A Simple Gesture

Please remember to pick up a Simple Gesture bag, fill it with non-perishable food items and return it to the Recreation Lobby. Hunger is real in the High Point area and your "simple gesture" can make a difference in many lives. Empty bags may be picked up in the RMC lobby. Full bags may be returned to the same location. Put the pickup dates on your calendar.

HELPING CHURCHES THRIVE

Returns Wednesday, Jan. 7

Churchwide conversations will be held during the Sunday School time Jan 18 at 9 a.m. following breakfast, led by Andy Hale.

January's theme is "thriving churches are flexible. They aim to be adaptable, responsive and relevant so they may act quickly and effectively as new needs and ministry opportunities arise.

We are one of 11 churches chosen to be a part of this year's HCT Learning Cohort. Our team attended a 24 hour retreat to learn about it. The questions will be made available to you prior to our conversations.

Helping Churches Thrive is a ministry of CBF North Carolina.
